NORTH SHORE | WINTER 2022

RESTAURANTS | REAL ESTATE | PLACES

message from michelle

We've now passed mid-Winter and I don't know about you, but I'm already dreaming of Spring!

In the real estate world, the thought of Spring means gearing up for the busiest time of the year, and this year should be no different. Continued record low inventory of homes for sale on the market mean we're still experiencing a seller's market and if you have been contemplating selling your home, now would be an amazing time to cash in. Are you hesitating because you are worried about where you will go? There are creative ways for us to solve that problem, so reach out today and we can talk through the options!

Thinking about buying, selling, or investing in real estate? Or maybe your family or friends have been talking about it? I'd love to answer your questions and always appreciate your referrals!

delicious!

Stay warm with good food and beverages from the best North Shore restaurants.

Where is your favorite local restaurant to visit during the cold months?

NEW - C.K. PEARL

Essex, MA

OK, it isn't new, but with an ever changing menu, C.K. Pearl continues to reinvent itself over and over, and it never disappoints. It's location overlooking the marsh, right in downtown Essex, is equally beautiful in the Winter as it is during the warmer months. Start with the creamy clam chowder, followed by a fish special, or instead opt for the amazing pulled pork from the smoker. No matter what you choose, you won't be disappointed.

LOCAL FAVORITE - STACKS

Haverhill, MA

For delicious burgers, unique takes on pub food and over-the-top dessert milkshakes, you have to try Stacks. Besides its food, you'll love it's funky decor in one of downtown Haverhill's brick buildings. Don't forget to check out the new outside deck for extended seating in the warmer months.

RIVER DINING - TUSCAN SEA GRILL & BAR

Newburyport, MA

Located right on the Merrimack River, Tuscan Sea Grill offers an amazing selection of appetizers & entrees for everyone in your party. The location includes a huge porch which is open in the summer and heated in the winter and lovely all year.

COMMUNITY SUPPORTED AGRICULTURE

Long Hill Orchard & Farm- West Newbury, MA

Located in the quaint town of West Newbury, Long Hill Orchard offers up an amazing CSA.

Choose from a full, half, or even quarter share depending on your household size. One of the best things about Long Hill Orchard's CSA, you get to choose exactly what you want every week! That means no food will ever go to waste because you bring home all your favs!

Marini Farm - Ipswich, MA

Marini Farm is well known for its permanent farm stand and Autumn corn maze, but they also produce an amazing CSA program.

Marini's offering includes a little bit of everything that is fresh each week. My favorite part? The weeks when the strawberries are ripe and you can pick your own, which comes included in your share!

Iron Ox Farm - South Hamilton, MA

Newer to the CSA scene, Iron Ox Farm offers shares for North Shore locals from their farm in Hamilton, using organic farming practices. Their commitment to the community includes a partnership with Nourishing the Northshore to provide access to healthy vegetables and promote food security to local families.
